

Comfort First Filtered Diffuser™

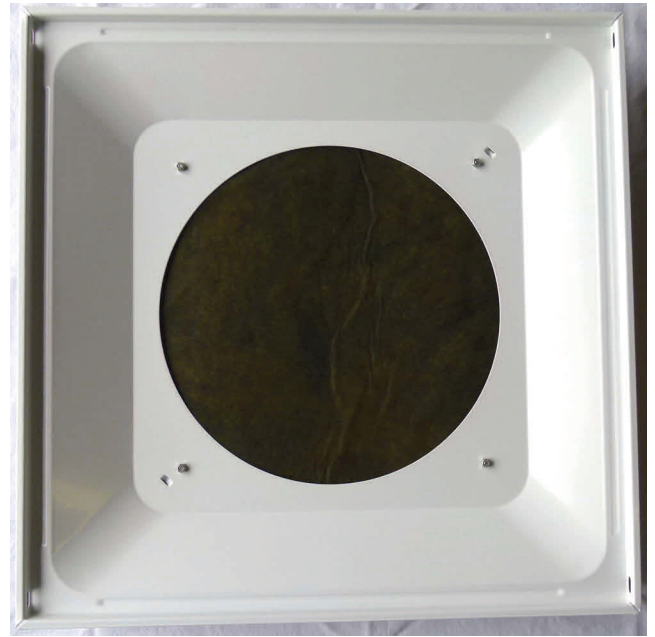

And

Universal Start Collar Back Pan

Uses Start Collars From 6" Round to 14"

TOP VIEW

INSIDE VIEW

This eliminates the need to go to an account and measure the diameter of the existing diffuser neck you want to replace with the Comfort First Filtered Diffuser. Now you can go to a Wholesaler, pick up the quantity of Comfort First Diffusers you need and a variety of different sized start collars and save yourself a trip!
